

TITLE: Children and Youth Program Specialist III
EFF DATE: MAY 31 2023

I. IDENTIFYING INFORMATION

Class Title:
Position Number: 124503 (Psuedo #93536H)
Department: Health
Division/Office: Family Health Services
Branch: Children with Special Health Needs
Section: Early Intervention
Geographic Location: Downtown

II. INTRODUCTION

This position is located in the Early Intervention Section (EIS), Children with Special Health Needs Branch (CSHNB), Family Health Services Division (FHSD). The EIS is responsible for the implementation of Part C of the Individual's with Disabilities Education Act (IDEA), the Hawaii Early Intervention Policies and Procedures, and any relevant Hawaii Revised Statutes which includes the identification and provision of services for children birth to three with special health needs.

The Lead Agency Support team is responsible for developing and ensuring implementation of procedural guidelines to ensure that all programs are compliant with IDEA Part C, the Hawaii Early Intervention Policies and Procedures and the relevant HRS, and that quality services are provided to the enrolled infants and toddlers and their families, based on evidence based practices in early intervention. The Lead Agency Support team is also responsible for reviewing and summarizing data to be reported to the United States Department of Education (DOE) Office of Special Education Programs (OSEP). Quality assurance activities include programmatic monitoring, data review, and oversight of public and private early intervention programs. As a result of the above activities, corrective action plans must be developed by the programs for any areas found out of compliance and reviews and follow-up by the Lead Agency Support team, including providing technical assistance and support to EI Programs. In addition to the above quality assurance activities, the Lead Agency Support team is also responsible to ensure that ongoing training and support is provided to early intervention staff and families related to Part C requirements and to meet their identified training needs.

The primary purpose of this position is to assist in the administration, planning and evaluation of a comprehensive system of personnel development as required by Part C. The position will assist in responding to early intervention needs identified in the state, including the support of new projects, being responsible to new populations, assisting in program monitoring and collaboration with other community-based agencies to support the early intervention efforts in the state and has statewide responsibilities in assuring that a family-centered, community-based, culturally competent, collaborative approach is the basis for all training and professional development activities.

III. MAJOR DUTIES AND RESPONSIBILITIES

A. Consultation and Training

75%

1. Conduct trainings as assigned, for early intervention providers, community partners and families.
2. Distribute and compile periodic needs assessment surveys from EI providers, community partners and families to identify specific training needs and priorities.
3. Log and assign trainings based on assignment protocol, track status and report on training requests for EI training activities.
4. Disseminate information on training activities to EI providers, community partners, and families.
5. Write a training evaluation report based on evaluations by staff, providers, community representatives and families of training activities.
6. Track ongoing training activities via spreadsheets and/or database to ensure that EI personnel are trained or retrained to meet early intervention standards of evidence based practices.
7. Coordinate ongoing training and professional development activities for EI staff/providers with public and private universities, community colleges, agencies, departments, etc. that currently provide training.
8. Coordinate and/or attend EI training and public awareness sessions as requested by various universities, community groups, or state agencies.
9. Attend EI Training Team meetings as scheduled.

B. On-Site Monitoring

20%

1. Review EI child records (hard copy records at the EI Programs statewide or the EI database), to ensure EI Programs are compliant with a variety of indicators, including meeting IDEA, Part C timelines and inclusion of evaluation reports, Individual Family Support Plans (IFSPs), consents, progress/anecdotal notes, and other child record requirements.
2. Review IFSPs utilizing a checklist, to ensure that the IFSPs include all required components, including a transition plan.

3. Compare IFSPs with services provided to ensure that the IFSPs are being implemented as written. This includes the provision of services and support to eligible children and their families, and the implementation of transition plans as written.
4. Participate as a member of the EI Monitoring Team in program monitoring of early intervention state and POS programs to ensure they follow IDEA Part C regulations, Hawaii Policies and Procedures, Early Intervention Procedural Guidelines and federal standards (e.g., Occupational Health and Safety Administration standards, American with Disabilities Act, etc.).
5. Prepare monitoring tools by entering data into the Self-Assessment Monitoring (SAM) tool for on-site monitoring of EI programs, statewide.
6. Enter SAM tool data into the SAM tool access database upon completion of on-site monitoring.
7. Attend EI Monitoring Team meetings as requested.

C. Performs Other Related Duties as Assigned

5%

Total: 100%

IV. CONTROLS EXERCISED OVER THE WORK

This position receives general supervision and technical support from the Children and Youth Program Specialist V, position no. 118870.

A. Supervisor

Position No.: 118780

Class Title: C&Y Program Specialist V

B. Nature of Supervisory Control Exercised Over the Work

1. Instructions Provided

Instructions are limited to general guidance and direction to specify priorities and the results expected. The employee is required to plan and carry out the necessary work activities independently.

2. Assistance Provided

The employee takes care of all aspects of the work independently but is expected to inform the supervisor when unforeseen events or circumstances require significant changes or when matters conflict with

procedures, laws, policies, etc. The supervisor provides guidance concerning unusual problem matters not covered by precedent or policy.

3. Review of Work

The supervisor reviews only those assignments which the employee indicates are exceptional and includes the signature of the superiors. The supervisor does check to make sure that goals and objectives are met.

C. Nature of Available Guidelines Controlling the Work

1. Policies and Guidelines Available

Guidelines for this position will come from IDEA Part C Regulations, Family Educational Rights and Privacy Act (FERPA), Hawai'i Early Intervention Administrative Rules, Hawai'i Revised Statutes, Hawai'i IDEA Part C Early Intervention Policy and Procedures, Early Intervention Procedural Guidelines, Early Intervention Forms and Instructions, Mission and Key Principles of Early Intervention, and Division of Early Childhood Recommended Practices.

2. Use of Guidelines

Guidelines cover all aspects of the work. The employee is expected to know and apply pertinent laws, rules and regulations, policies and procedures, statutes, and other related guidelines.

V. REQUIRED LICENSES, CERTIFICATES, ETC.

Valid Hawaii Driver's License preferred.

VI. RECOMMENDED QUALIFICATIONS

A. Knowledge

Principles, methods, evidence based practices and resources related to infants and toddlers with special needs and their families; family centered care principles and practices; provision of community-based, early intervention services; federal and state legislation pertaining to children with special needs, particularly Part C of the Individuals with Disabilities Education Act (IDEA); cultural diversity issues and concerns; confidentiality and protecting the rights of families and children; nature and scope of community resources and services currently available for children ages 0-5 years with special needs; accessing resources and services. This position

requires a high degree of leadership, interpersonal skills, and knowledge about the needs and appropriate services for infants and toddlers with special needs and their families.

B. Skills/Abilities

Ability to support the early intervention comprehensive system of personnel development; work effectively with early intervention programs, providers, and community partners; maintain effective relationships with other government and private agencies, professional, lay groups and the general public; work effectively in a team and on committees/workgroups; communicate effectively orally and in writing; detail orientated; data collection; keep abreast with current trends, evidence based practices in early intervention, child development and training. Applicants must also have ability to be family centered and strength based in practice.

C. Education

Graduation from an accredited college or university with a bachelor's degree in education, public health, social work, psychology or another related field.

D. Experience

Two years of progressively responsible professional work experience, including experience working in a program that serves children with special needs. Experience in providing training and participating in quality assurance activities for children with special needs under 3 years of age is also desirable.

E. Utilization

Word processing programs including Word; presentation program including PowerPoint; and database and spreadsheet programs including Access and Excel.

VII. TOOLS, EQUIPMENT, AND MACHINES

Normal Office Equipment: Computer, telephone, copy machine, fax machine, typewriter, and printer.

See attached Supplement to Position Description.

I. TYPE OF WORK 1. Identify the best description for the general type of work that is required to perform the essential functions of the position. 2. Using the pull down menu, indicate the frequency of the type of work: daily; frequently (weekly); occasionally (monthly to quarterly); seldom (semi-annually to annually). 3. In the Comments section, add the description of the duties or functions applicable to the type of work performed.

TYPE OF WORK	FREQUENCY	COMMENTS/DESCRIPTION
☒ Sedentary Work - Lifting or exerting a force of a maximum of 10 pounds. Walking and standing may be required frequently, but for less than 5 minutes at a time. Mobility within the office may be required, including movement from floor to floor.	Daily	This position is sedentary and requires occasional traveling to programs, including neighbor island travel and community meetings.
☐ Light Work - Occasional lifting or exerting a force of a maximum of 20 pounds with frequent lifting and carrying of objects up to 10 pounds. May require walking or standing. May require sitting most of the time.	Not Applicable	
☐ Medium Work - Occasional lifting or exerting of a maximum of 50 pounds with frequent lifting and/or carrying of objects up to 25 pounds. May require significant walking or standing.	Not Applicable	
☐ Heavy Work - Occasional lifting or exerting a force of a maximum of 100 pounds with frequent lifting and/or carrying of objects up to 50 pounds. May require significant walking or standing.	Not Applicable	
☐ Other:	Not Applicable	

II. PHYSICAL DEMANDS 1. Identify all physical demands required to perform the essential functions of the position. 2. Using the pull down menu, indicate the frequency of these physical demands: daily; frequently (weekly); occasionally (monthly to quarterly); seldom (semi-annually to annually). 3. In the Comments section, add the description of the duties or functions applicable to the physical demands.

PHYSICAL DEMANDS	FREQUENCY	COMMENTS
☐ Pushing - Exerting force on an object so that the object is moved away from the individual.	Not Applicable	
☐ Pulling - Exerting force on an object so that the object is moved toward the individual.	Not Applicable	
☒ Climbing - Ascending or descending ladders, stairs, scaffolding, ramps, poles, or other objects typically using feet and legs, and/or hands and arms.	Occasionally	Visits to programs and community meetings may entail the use of stairs, and/or ramps.
☐ Balancing - Maintaining body equilibrium to prevent falling when walking, standing, crouching or running on narrow, slippery or erratically moving surfaces.	Not Applicable	
☐ Stooping - Bending body downward and forward by bending spine at the waist.	Not Applicable	
☐ Squatting - Sitting on one's heels.	Not Applicable	
☐ Kneeling - Bending legs at knees to come to rest on one or both knees.	Not Applicable	
☐ Crouching - Bending body downward and forward by bending legs and spine.	Not Applicable	
☐ Crawling - Moving about on hands and knees or hands and feet.	Not Applicable	
☐ Reaching - Extending the hand(s) and arm(s) over head.	Not Applicable	
☒ Handling - Seizing, holding, grasping, turning or otherwise working with hand(s). (Fingering, described below, is not involved).	Occasionally	Handling of charts at programs.
☒ Fingering - Picking, pinching, or otherwise working with fingers primarily (rather than with whole hand or arm as in handling).	Daily	Work requires typing on the computer and handling of papers.
☐ Feeling - Perceiving attributes of objects such as size, shape, temperature or texture by means of receptors in skin, particularly those of finger tips.	Not Applicable	
☒ Repetitive motion - Making frequent movements of wrists, hands and/or fingers. This includes, but is not limited to, computer use, typing, etc.	Daily	Work requires typing on the computer and handling of papers.
☐ Twisting of Upper Body - Making unusual upper body movements, such as installing a light bulb in an out of the way location.	Not Applicable	
☐ Other:	Not Applicable	

III. COMMUNICATION DEMANDS 1. Identify all communication demands required to perform the essential functions of the position. 2. Using the pull down menu, indicate the frequency of these communication demands: daily; frequently (weekly); occasionally (monthly to quarterly); seldom

(semi-annually to annually). 3. In the Comments section, add the description of the duties or functions applicable to the communication demands.

COMMUNICATION DEMANDS	FREQUENCY	COMMENTS
☒ Verbal communication with co-workers, either in person or over the telephone.	Daily	Collaborates with co-workers via in person, phone, and video-conferencing.
☒ Verbal communication with customers or vendors, either in person or over the telephone.	Daily	Provides verbal technical assistance (TA) to EI programs, collaborates with EI program providers, and community partners via in person, phone, and video-conferencing.
☒ Written communication to co-workers.	Daily	Communicate via email when collaborating with co-workers.
☒ Written communications to customers or vendors.	Daily	Communicate via email when collaborating and providing TA with EI programs, providers, and community partners. Includes report writing.
☐ Supervising others, including training or giving verbal instructions.	Not Applicable	
☒ Training or giving verbal instruction.	Daily	Conduct trainings to EI providers, provide TA to EI programs, and mentoring EI providers.
☒ Receiving verbal or written instruction.	Daily	Ability to receive instructions via in person, email, fax, phone, and follow written procedural guidelines.
☒ Writing - Ability to write/compose written language.	Daily	Ability to write reports, emails, meeting notes, anecdotal notes, and action plans.
☒ Reading-ability to read written language.	Daily	Ability to read articles, websites, guidance documents, federal and state laws, policies and procedures, procedural guidelines, forms/instructions, email, reports, and plans.
☐ Other:	Not Applicable	

IV. **ADDITIONAL SKILLS/ABILITIES** 1. Identify all additional skills and/or abilities required to perform the essential functions of the position. 2. Using the pull down menu, indicate the frequency of these additional skills and/or abilities: daily; frequently (weekly); occasionally (monthly to quarterly); seldom (semi-annually to annually). 3. In the Comments section, add the description of the duties or functions applicable to the additional skills and/or abilities.

ADDITIONAL SKILLS/ABILITIES	FREQUENCY	COMMENTS
☒ Working and making appropriate decisions without supervision .	Daily	Determine when to make independent decisions and when to seek consultation from appropriate people.
☒ Making mathematical computations with accuracy.	Daily	Monitor timelines and conduct data analysis.

☒ Processing work with accuracy.	Daily	Review child records, review data for accuracy, review and validate data.
☒ Identifying and resolving problems in a timely manner.	Frequently	Aware of federal and state timelines; assess and use problem solving skills to support compliance efforts; problem solve implementation issues with EI programs.
☒ Prioritizing and planning work activities.	Daily	Deals with multiple timelines and multiple EI programs so must have the ability to prioritize and re-prioritize on a daily basis.
☒ Demonstrating accuracy and thoroughness in work product.	Daily	Federal requirements are stringent and monitoring needs to be thorough and accurate, including reports and follow-up.
☒ Following instructions and responding to management direction.	Daily	Provides TA to EI programs and support their implementation efforts especially with new or revised procedures distributed by EIS.
☒ Working in a fast-paced environment.	Frequently	Many federal and state requirements must be met.
☒ Gathering and analyzing information skillfully.	Frequently	Critical thinking is essential to support federal and state compliance, efficiency and quality TA.
☒ Managing multiple tasks.	Daily	Deals with multiple timelines/requirements and multiple EI programs so must have the ability to multi-task.
☒ Working with a diverse population.	Daily	EI providers, community partners, national workgroups, and coworkers are from diverse cultural backgrounds and must be able to work with everyone.
☒ Ability to prioritize conflicting demands.	Frequently	Deals with multiple timelines/requirements and multiple EI programs requires good decision making skills.
☒ Working varying shifts, weekends or holidays.	Occasionally	Monitoring includes programs on the neighbor islands.
☒ Establishing and maintaining effective working relationships.	Daily	Must collaborate with co-workers, EI programs/providers, community partners and build positive relationships to be an effective TA provider.
☒ Using time efficiently.	Daily	Deals with multiple timelines/requirements and multiple EI programs so must have the ability to prioritize and requires efficient use of time.
☒ Visiting/working at different worksites.	Occasionally	On-site monitoring and on going

		support is conducted for EI programs statewide.
☒ Initiating activities independently.	Frequently	Deals with multiple timelines/requirements and multiple EI programs so must have the ability to initiate activities independently.
☒ Working under stressful conditions.	Frequently	Meeting federal and state compliance with strict timelines may cause pressure and stressful conditions when requiring EI programs to implement things accordingly.
☐ Other:	Not Applicable	

V. ENVIRONMENTAL CONDITIONS - 1. Identify all environmental conditions in which an individual will perform the essential functions of the position. 2. Using the pull down menu, indicate the frequency of these environmental conditions: daily; frequently (weekly); occasionally (monthly to quarterly); seldom (semi-annually to annually). 3. In the Comments section, add the description of the duties or functions applicable to the environmental conditions.

ENVIRONMENTAL CONDITIONS	FREQUENCY	COMMENTS
☒ Works indoors.	Daily	Offie work within the building.
☐ Works outdoors.	Not Applicable	
☐ Extreme Cold - Employee works in temperatures sufficiently cold to cause marked bodily discomfort; as a guideline, the employee works in temperature less than 32 degrees Fahrenheit for an hour or more.	Not Applicable	
☐ Extreme Heat - Employee works in temperatures sufficiently hot to cause marked bodily discomfort; as a guideline, the employee works in temperature greater than 100 degrees Fahrenheit for an hour or more.	Not Applicable	
☐ Temperature Changes - The employee works within the variations in temperature which accompany extreme cold and/or heat and are sufficiently marked to cause bodily reactions.	Not Applicable	
☐ Humid - The employee works in conditions with moisture contact high enough to cause marked bodily discomfort.	Not Applicable	
☐ Wet - The employee has frequent contact with water or other liquid.	Not Applicable	
☐ Noise - The employee works in conditions with sufficient noise, either constant or intermittent, to cause marked distraction or possible hearing loss; as a guideline, this level of noise is at least 80	Not Applicable	

decibels and/or the employee must shout to be heard by others.		
☐ Vibration - The employee works in conditions that provide a strain on the body or its extremities sufficient enough to cause bodily harm if endured day after day.	Not Applicable	
☐ Atmospheric conditions causing discomfort or potential harm: The employee works in conditions that affect the respiratory system or the skin; e.g., fumes, odors, dusts, mists, gases, or poor ventilation.	Not Applicable	
☐ Other:	Not Applicable
