Title: Pitching Ai Prototypes For State Jobs

Imagine walking into an interview for a, you know, a massive state level government job. Oh, yeah. The pressure is on right high stake

File: Architecting_state_compliance_with_educator_expertise.m4a

Title: Architecting State Compliance With Educator Expertise

You know, when we think about fluency, we usually picture spoken languages. Right. Yeah. Like someone at a dinner party just effort

File: Automating_federal_compliance_with_generative_AI.m4a

Title: Automating Federal Compliance With Generative Ai

Imagine standing in like a super dusty poorly ventilated room. Ah, sounds pretty awful already. Right, and the air is just thick with fum
